

DEFINING CURRENT REALITY

- **Current reality is a perception of the world; there are individual perceptions about current reality.**
- **Church leaders must ask people inside and outside the church about current reality.**
- **Current reality is shaped by perceptions of:**
 - Visitors**
 - Culture**
 - World and community politics**
 - Economics**
 - Education**
 - Safety**
 - Family life**
 - Other factors**
- **Flexibility is essential for defining current reality.**

LEARNING NEW RULES

**The ability to learn new
rules in an ever-changing
current reality keeps us on
course toward fulfilling our
vision for ministry.**
