

Survey #1 – Favorite Hymns

(Percentages are rounded to the nearest whole percent.
Multiple titles within the same ranking represent tie votes.)

In a well-publicized online survey on the General Board of Discipleship’s (GBOD) worship website, we asked respondents to name their five favorite and their five least favorite hymns or songs in both *The United Methodist Hymnal* (UMH) and *The Faith We Sing* (TFWS).

Who Responded?

4,119 United Methodists responded to the survey. Respondents were asked but not required to self-identify themselves in a number of ways. 82% did so, and of those, they identified themselves as follows:

- Laity 71%
- Clergy 29%
- Congregational Singer 39%
- Choir Singer 24%
- Choir Director, Music Director, Music Leader 10%
- Organist, Pianist, Keyboardist, Accompanist 8%
- Instrumentalist 8%
- Other 11%
- Age: Under 30 9%
- Age: 30-50 34%
- Age: 50-70 49%
- Age: Over 70 8%

What Were the Favorites and Least Favorites?

The following four tables list the twenty favorite and twenty least favorite titles in UMH and TFWS with the percentage of all respondents making those selections. The first four charts are a summary of all responses received.

Additional Responses by Category of Respondents

NOTE: In some surveys, because of the small number of responses for many titles and the great number of titles receiving the same number of votes, we have cut off listing responses. To continue listing them in this summary report would mean adding dozens and dozens of titles to the list that would give little new, meaningful information. Where we are able, we have listed the top twenty selections for each survey. Complete responses to all survey questions are available on the GBOD worship website. (Note: Not included in summary charts, but included in website data: organist, instrumentalist, choir singer, other.)
