“Do no harm. Do good. Stay in love with God.” - John Wesley

The DMYP and YouthWorks invite you and your youth to join us for a week of serving others, growing in faith together and connecting with fellow United Methodist youth and youth workers from around the country. Whether you are new to leading mission trips or have extensive experience, consider this to be an opportunity to impact your youth and connect to the larger Church body. This mission trip will provide a fully-facilitated week including housing, meals, service opportunities and programming so that you are able to focus on your youth without having to worry about the details.

We hope you will join us in serving God together and encouraging each other to “do no harm, do good and stay in love with God.”

What you can expect.

Service & Ministry

Groups will serve at existing local ministries that work with children, the elderly and the homeless in Nashville. Depending on the organization that we partner with, your group may be at a specific ministry the entire week or partner with several organizations on a rotational basis.

Evening Activities

Evening activities during a YouthWorks week are designed to give participants insight into the lives of local residents and the culture of the area. Examples of what we have done in the past include:

- Attend a local church service
- Take part in a cultural experience
- Join in a community cookout
